**Memorandum of Understanding in relation to E-Waste Management
Between
Shree Ramchandra College of Engineering, Lonikand, Pune & Giga Marketing &
Solutions, Pune.**

IMPORTANT NOTE

This MoU is subject to contract and is not intended to be legally binding nor does it represent a complete summary of the contractual or commercial aims of Giga Marketing & Solutions and the Authorities but instead expresses their desires and understandings.

BACKGROUND

(A) Giga Marketing & Solutions is a joint waste disposal authority established pursuant to the Waste Regulation and Disposal

(B) Giga Marketing & Solutions is waste collection authorities in their respective areas

OPERATIVE PROVISIONS

The purpose of this MoU is:

1. To define the aims, objectives, roles and respective responsibilities of the Authorities in delivering Best Value, legislative targets and the aims of joint working; and
2. To manage the process of joint working and collaboration, in the procurement of Shree Ramchandra College of Engineering (SRCOE) and a contractor or contractors to deliver the Authorities' Joint Waste Strategy
3. Nothing contained in this MoU will be deemed to constitute a relationship between the Authorities of partnership, joint venture, principal and agent or employer and employee. None of the Authorities has, nor may it represent that it has, any authority to act or make any commitments on the other Authority's behalf.
4. This MoU focuses on the organizations' solid waste and sustainable materials management (SMM) activities and does not cover hazardous waste and waste site cleanup.
5. Waste covers the Computer & peripherals, Accessories, Electronic components, Wires etc.

Priorities include:

- (1) Design for recycling
- (2) Recycling market and green job development
- (3) **Material diversion and recycling**
- (4) Source reduction and reuse
- (5) Environmentally preferable purchasing
- (6) Electronic scrap management
- (7) Toxics use reduction
- (8) Zero waste professional network
- (9) Promoting waste reduction, reuse, composting, and recycling at grocery stores

SIGNATURES

This Memorandum of Understanding is agreed by the following duly authorized officers for and on behalf of each Authority:-The MoU shall remain in force for two academic year's i.e A. Y 2021-22 and 2022-23 and shall be continued further with mutual understanding.

Memorandum of Understanding between Tathastu Enterprises Pune & Shree Ramchandra College of Engineering ,Lonikand, Pune.

Whereas paper and plastic disposable materials are distributed extensively throughout our society and are typically disposed of after their initial use; and

Whereas paper and plastic disposable bags consume valuable natural resources in their production, increase waste generation, and contribute to litter; and

Whereas students, staff need to be aware and stores recognize natural resource limitations and the need to design systems and encourage practices that minimize the use of and recover of these valuable materials; and

Whereas the Tathastu Enterprises is responsible for ensuring recycling of solid / paper and hazardous wastes.

Therefore the Tathastu Enterprise's Department through its members agree to work collaboratively to reduce the environmental impacts of paper and plastic disposable materials by:

- 1) Setting reduction goal in the distribution of paper and plastic disposable materials.
- 2) Establishing incentives to encourage a reduction in the demand for plastic bags and increased use of reusable bags by consumers
- 3) Increasing the recycled content and/or the percentage of biodegradable bags & material offered for distribution.

In implementing this MOU, the Tathastu Enterprises commits to:

- 1) Provide technical assistance, training, education and support to students, staff & stores members in setting up disposable bag, material waste reduction programs.
- 2) Provide current best management practices for recycling of disposable bags & material in campus and identify recycling organizations and hauling infrastructures to support plastic bag recycling.
- 3) Monitor progress towards the goals established in the MoU in cooperation with the firm

In implementing this MoU, the Shree Ramchandra College of Engineering(SRCOE) commits to:

- 1) Encourage Shree Ramchandra College of Engineering members, nearby companies and independent operators to sign on to this MoU and commit to reducing the distribution of paper and plastic disposable bags as measured by a reduction from the average annual paper and plastic disposable bags & materials distributed per store.
- 2) Assist its members in implementing best management practices and employee training that encourages the reduction of disposable plastic bags & material distribution.
- 3) Encourage the development and maintenance of in-store plastic bag and other plastic packaging recycling programs at all participating locations
- 4) Increase awareness among all stakeholders of organization, employees and students of the positive environmental, operational, and financial impacts of reducing the distribution of disposable bags & materials, increasing plastic bag recycling, and increasing the recycled content or biodegradability of bags & materials.
- 5) Annually survey organization and college stores and report to Tathastu Enterprises the data on the number of disposable bags & material purchased per store, the amount of plastic bags & material collected for recycling and other related information such as reusable bag & material sales, recycled content in bags, and biodegradability of materials.
