**Minutes of Meeting**

**Internal Quality Assurance Cell (IQAC)**

A meeting of IQAC committee members was held on 27/12/2018 in. The meeting was commenced with the welcome note of the IQAC coordinator.

Following points were discussed

**1. Confirmation of minutes of meetings of previous meeting**

IQAC coordinator read all the minutes of previous meetings and unanimously they were confirmed.

**2. To organize workshops on enhancing Employability Skills for current BE students.**

Professional development skills are the game changers and possibly the most effective way to prepare the students for getting their dream job. The key is to have sustained efforts by strengthening the weakness of the students and equip them with the right skills that present age organizations are crying out for. In order to make the students more competent, All Department of institute should organized a workshop on How Students can Enhance Skills for Employability, for the students, with a major focus to up skill students , to improve their employability scope. Mr. Avinash N Sable, disused about today's industrial need, and different skill required to focus for employability, and suggest that different workshops and seminars should organized so that to improve students skill.

**3. To review Academic & Administrative Audit and its recommendations**

The purpose of an academic audit is to encourage departments or programs to evaluate their "education quality processes" – the key faculty activities required to produce, assure, and regularly improve the quality of teaching and learning. Shri M.R. Bhumkar, Chairman of Trust, discussed factors such as alumni, student activity, placement, professional membership, social activity, student club/ discussion, forum etc as their recommendations for the departmental success.

**4. To review efforts by library towards accessing e learning resources**

Prof. Dr. A. D. Desai discussed about importance of technical resources for overall career growth of students, therefore our college library must have more no. of recourses mostly e- resources. So that more no of students can take benefits of this.

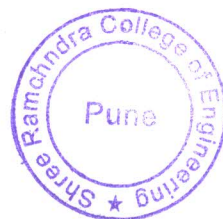

5. **To Motivate students to participate in various Inter-collegiate competitions/ Technical Fests, Internships, Social activities, Sport and cultural events.**

Intercollegiate events are very important in building multiple skills and play an integral role in the collegiate experience. It not only provides entertainment and knowledge but also helps students develop organizing skills that include but are not limited to communication, marketing, public relations, networking, leadership, mentoring, conflict management and community building. So motivate students to take part in such events and also organized such events in our campus.

6. **Career guidance and placement cell related activities..**

To help the student to equip with essential skills, industry awareness tips & tricks to crack the recruitment process and land up with their dream jobs. Seminars & Workshops by well-known Training Organizations and eminent industry experts should be arranged.
